<sup>1</sup>All values shown are approximate. <sup>2</sup>Blue granules may fade after extensive exposure to the sun's ultraviolet rays. <sup>3</sup>Please note either UltraHP or UltraHP IR can be used with IKO laminate shingles. However, only UltraHP IR should be used in conjunction with IKO's Nordic, Dynasty, Armourshake and Crowne Slate shingles. <sup>4</sup>Only available in UltraHP. <sup>5</sup>IKO UltraHP® IR hip and ridge shingles have a Class 4 impact resistance rating tested against UL 2218, which IKO is pleased to present for the sole purpose of enabling homeowners using these shingles in conjunction with Class 3 or Class 4 impact resistance rated shingles to obtain a discount on their home insurance premiums, if available in their area. This rating is not to be construed as any type of express or implied warranty or guarantee of the impact performance of this shingle by the manufacturer, supplier or installer.

**Note:** UltraHP - stocked in applicable IKO plants and warehouses in western U.S. UltraHP IR - stocked in applicable IKO plants and warehouses in U.S./Canada. For information on Miami Dade NOA, Florida Product Approval, and/or Texas Department of Insurance listings, please contact IKO.
